INCIDENT

Wen thay had me stand there for 45 min wile he call his Supervisor to see what thay can charge me on. then he came over in had me face my back to the hotel in ask me what room number my friend stay in. then kept asking me if I new Mike Clark in if I was there starting problem with him in this the cop kept saying my friend all ready told him everything witch was a lie to get me to admit what he wanted me to say from what the actual truth.

now this Mike Clark guy does not like me because im with his ex Chrystal Clark in Mike happen to be in the room next to my friend he saw me in I saw him so I ask if we could talk like man in come to agree ment he stay in his room so I send fuck it in went on about my business next door to my friend witch just got back from Cali my reason of being there was to take my friend to McDonalds as we was leaving 3 cop showd up in here I am I had no worries an gave no reason so the asst tell I was arrested in thay sorch me
